CREATING A VOID

In the beginning God created the heavens and the earth. The Earth was without form and void; and darkness was on the face of the deep. And the Spirit of God was hovering over the face of the waters.
GENESIS 1:1-2

The scripture says that the Earth was without form and void—but not the heavens. That’s because the pattern was already established in the heavens and yet to be FULFILLED in the earth.

God made man a spiritual being within a physical form to be birthed at an appointed time. Something in you likewise quickens at “the fullness of time” or at “such a time as this” and you know you’re ready to give birth to your purpose because the time has come.

“God created man in His image: in the image of God.” The Creator formed you to be like Him. God created by manifesting His thoughts. You are a piece of His Creative Force by virtue of emerging from God’s thoughts. Since you’re created in the image of the Creator you have the same potential to create. You’re CREATIVE because He apportioned part of His nature to you by individually giving distinct gifts, aptitudes, and talents to aid you in fulfilling your purpose.

= CREATIVE ENERGY

You are individual expressions of God’s Creative Energy. God cannot be removed from what He creates—it’ll always carry His DNA. You are defined by His spiritual ESSENCE and share the same life force, anointing, creativity, aspiration, etc.

God’s spiritual force or URGING prompts you to create. That means Creativity is the outflow of His power or divine energy creating through you. Just as the Spirit of God hovered over the face of the waters, so do your THOUGHTS hover over your FIELD and you likewise creatively fulfill your purpose.

Focused thought causes an idea to emerge in tangible form as a CREATION in your field. That’s because your PASSIONATE thoughts cause a shift in the

vibrational energy and the CREATIVITY or anointing ushers in its manifestation. Creativity is your unique WAY of expressing your thoughts and feelings.

Instinctively the mind follows the pattern it's seen in heaven. Everything was determined before the foundation of the world. What you create in your lifetime is already divinely sealed in you and ready to manifest at just the right moment.

= GOD CAUSED A VOID

When God wanted to redeem man He created a VOID by casting Adam and Eve out of the Garden of Eden. Noah built an ark to float above the EMPTY SPACE that God caused to cover the earth. Abraham left his father's homeland and his inheritance to travel into the WILDERNESS where God visited him and promised to make him a father of many nations. Abraham expected *"the city which has foundations, whose builder and maker is God."*

The children of Israel also made an exodus into a WILDERNESS PLACE. That's where God first showed mankind how to CREATE A VOID by instructing them in 'how' to create a HOLY PLACE for Him to dwell with them in the earth.

God also used 400 years of silence to CREATE another type of VOID—generating a hunger and thirst for the Word of God. Jesus was the Word made flesh—He filled the earth with the glory of God. God likewise gave you abilities, gifts, talents and aptitudes to fulfill your purpose because what you do has great significance—it fills a VOID with the glory of God. Creativity is God's grace manifesting through you.

= A JUNGLE OUT THERE

Most of mankind is troubled or disturbed at times usually because they are unable to cope with change. Medically this is considered trauma, Post Traumatic Stress Syndrome. Trauma is anything that causes a change in your regular lifestyle. You resist doing something you normally did because of fear.

"It's a jungle out there" for those who believe that with every step they take there's a potential attack awaiting them—something's out to get them. They try to move forward but fight against everything that comes their way (even good things!) because they face each situation, event or decision with dreadful apprehension that it's a calamity, catastrophe or crisis about to happen. It's like driving with the brakes on.

Those who overcome their trauma change their perception of reality—and discover a Garden of Eden. Creativity and possibility abounds in a Garden atmosphere.

= CREATING YOUR OWN SPACE

The Spirit of God hovered over the face of the waters to create an ATMOSPHERE—His ZONE to work in. If you create a SPACE or VOID in you, the Spirit hovers over you too. In the moment of hovering you'll feel the full unction of His Spirit and the empowerment to fulfill His purpose through your unique creative expression.

Those who ponder create a void or space in time for DIVINE INTERVENTION. Those who wonder, meditate or question also seek a void to be filled by God. It creates a GAP in time—a TRANSITIONAL MOMENT—and the spiritual and physical converge in a new WAY for you to make a meaningful difference.

There are times you feel a void—a total EMPTINESS that can only be filled by God. You can be with your family and loved ones yet feel loneliness for God. You feel empty without any reason for this sense of loss—you're in a wilderness place while everyone else feasts in a land of plenty. Why? ... How can this be?

Whenever you feel EMPTY inside it's because you've created a VOID. This sensing of HOLLOWNESS is very real and very significant because it's takes maturity and preparation to create a fertile WOMB. This is a time for new birth in you life. Take special note of what is birthing in you—it'll define who you are. If you can name your baby, then you know the truth about your purpose.

= THE WOMB OF EXPECTANCY

Abraham was not hesitant or doubtful that the promise of an heir would happen. He EXPECTED it—he believed God would do exactly what He promised. You too can change the future for your family or nation if you align to God. Watch as God hovers over your VOID or womb of expectation—your purpose in life.

The womb is blessed. Those born physically or spiritually of Abraham were blessed throughout their generations. You are blessed because of the faithfulness of the seed. Your seed has God's DNA locked within it and through your CREATIVITY it blossoms to bear fruit—it bears the image of His GREATNESS.

In this time of EXPECTANCY you can be in preparation for the great and awesome day of the Lord. What can you do? Peter said, *"Repent therefore and be converted, that your sins may be blotted out, so that times of refreshing may come from the presence of the Lord."* This wasn't a one time event. Anytime you repent from "dead works," or unproductiveness you create a void that can be filled with "the wonderful works of God."

A womb of expectancy allows the supernatural power hovering over your life to align with your purpose causing opulence to occur in health and wealth just as you spirit prospers.

= CREATING A VOID

You can begin now to create a VOID in the natural: Empty your refrigerator of 'dead stuff,' or your closets of 'unused stuff.' Eliminate 'empty calories' from your diet. Make ROOM for 'wonderful stuff.' Purge your mind of 'useless, unproductive matter'. Ask yourself some questions:

- Are you AFRAID or traumatized—how does it affect what you will or won't do?
 - What needs to happen so you can face this situation unafraid next time?
 - What must happen in your thoughts and spirit for you to create a void that allows for you to feel SAFE enough to receive the prize?

- Do you trust that God works everything out together for your good so whatever happens will not only be okay—it'll be GREAT?
- What do you EXPECT to experience spiritually in Christ?
 - Is there anything holding you back from experiencing it now?
 - How can you prepare yourself to experience it today?
 - Would it help if you got up earlier in the morning or found a special GARDEN PLACE to pray or meditate?
- If filling a VOID means making yourself whole—what needs HEALING or wholeness in you?
 - Where do you desire to create balance in your life?
 - What are three things you could do that would speed up the process?
- If God should take something from your grasp, it's not to punish you but merely creating a void to receive more.
 - How can you surrender your fear (confusion, doubt or indecision) to create a void?
 - Define your purpose and the means to creatively accomplish it?
- How can you create a HOLY PLACE for something to happen?
 - Are there some 'dead works' that you could eliminate?
 - Do you harbor any unforgiveness or bitterness?
 - Did you create a VOID through repentance? Were you baptized?
 - What can you do to 'repent,' turn around, or forgive so that you align to your higher purpose in Christ?
- What forms of CREATIVITY are you capable of expressing?
 - List your gifting, talents, abilities, etc.
 - How could you share your creativity so your 'cup runneth over?'
 - How does God do His wonderful works through you?
- What experiences allow you to feel more ALIGNED to God?
 - What inspired this sense of connection?
 - What can you do to experience it again today or this week?
 - How does this alignment fill your life with abundance—spiritual opulence?
 - Did you receive the Baptism of the Holy Spirit?

When you create a VOID, a holy habitation for the miraculous to manifest, God does His sovereign work through you. How did you CREATE A VOID—a Holy Place for God in you ... what did you experience ... or what did you learn? Share your testimony.
