MISSION IMPOSSIBLE

For I know the Plans that I have for you, says the Lord. Plans to Prosper you and not harm you, Plans to give you Hope and a Future. JEREMIAH 29:11

The word for last year was 'Enough!' God wants the very best for you. He endowed you with calling and gifting and planned for your destiny. God knows your end from the beginning—that's what a 'plan' means. When you make PLANS you likewise know the end from the beginning. Planning ensures your success.

Many had 'enough' poverty thoughts (fearing lack, loss or failure) and began 'being enough'—good enough, smart enough, happy enough, having enough ... in Christ. They had 'enough' of the Old Man thinking and embraced walking as the New Man.

The word for 2009 is OPULENCE. God gave the Word before the economic crisis and not because of it. With Him "*all things are possible.*" 'Opulence' means wealth and affluence with a focus on plenty, profusion—ample: in richly abundant supply.

Opulence may seem threatening to those who believe that "*the love of money is the root of all evil.*" Many exclude finances from spiritual prosperity because they're afraid of losing their soul to material gain. But unless we include our finances we'll have difficulty fulfilling our purpose.

Money is often referred to as filthy lucre and those with a lot of it are misers, hoarders, penny pinchers ... But why should we fight against the blessing of God by thinking money is evil? John said, "*Beloved, I pray that you may prosper in all things and be in good health just as you soul prospers.*" He blessed finances and health and equated it to spiritual prosperity. It's time we RECEIVE the full blessing.

=Mission Impossible

Those who thought it challenging to make the step from 'lack' or 'not enough' to 'adequate' or 'just making it' may think opulence impossible. But if you're familiar with the "Mission Impossible" TV series originating in the late 1960's and the subsequent

movies starring Tom Cruise, you'll remember that each episode began with an impossible mission ... and he always accepted the mission before the opportunity disintegrated in a puff of smoke. Every 'Mission Impossible' episode ended in success.

You are the Star of your own version of 'Mission Impossible.' Do you choose to ACCEPT or REJECT receiving more OPULENCE in your life?

Everyone acts, thinks, lives according to the belief rooted in his Innermost Being. What you believe determines how you live. You can believe and submit to the Law of Life and Opulence or you can submit to the Law of Death—lack, poverty and never having enough. We choose Life or Death in a variety of ways everyday.

=Submission

Those who submit to the Law of the Spirit of Life, Opulence, or Abundance see the operation and manifestation of it in their life. You know which Law you submit to by HOW you see things—ample, plenty and opportunity is quite different than lack, not enough and impossible.

There's enough or rather an abundance of good things found in the True Principle or Law. For too long man thought anything that's a 'law' as something religious and therefore not spiritual. The letter of the 'Law' in the Old Testament held to regulation and obligation, but the true spiritual sense of the New Testament finds the 'Law' of the Spirit of life in Christ Jesus sets us free from the 'Law' of sin and death.

Submission is an openness or willingness to receive—you willingly stop resisting ... you give up control ... and the 'act' increases your Power Anointing.

The 'Law' of grace, opulence, abundance and life are all Spiritual Laws—submitting will yield more grace, opulence, abundance and life. Man is a spiritual being but HOW he submits is the CHOICE between Life and Death. Submitting to the 'Law' of Opulence allows you to participate in the realm of godly increase—tithing is merely the opportunity to participate as you'll see in a moment.

=God Prospers You

Nehemiah said, "*The God of heaven, He will prosper us.*" Decide now how God will prosper you and take action toward RECEIVING the increase—plan to be Prosperous.

"Assuredly I say to you, whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven." Whatever you BELIEVE becomes possible or impossibility to you. How you think either binds or looses you. If you think carnal thoughts such as, you're not worthy or not good enough—then that is the Law you live by—the Law of self-imposed Bondage, Limitation and Death.

Everything is contingent to how your mind interprets the Law. "*For to be carnally minded is death, but to be spiritually minded is life and peace.*" Fearful thinking is

carnality. Dwelling with God in the Law of Opulence, Expectation and Promise—your Innermost Being recognizes that God prospers you for your good ... and your RECEPTIVENESS draws more of His riches to you.

=Attracting What You Want

‘Like begets like’ and similar to the law of attraction—it creates a magnetic field. Just as parallel currents in the same direction attract one another, you are attracted to someone going in the same direction as you are. You become a magnet. You’ve experienced this in a sense: someone laughs—others laugh ... looks up—others look up ... or clap their hands—everyone claps.

You always attract more of what you believe is possible. If you think about what’s ‘wrong’ you’re focusing on something that will keep reproducing too. That’s how economic disasters come about. Enough people become obsessed with what’s WRONG and they create a depression—a slump or downturn in the economy of the world.

Enough people looking for what’s GOOD see God’s Opulence manifest in their life—they see the hand of Providence creating abundance in and through them.

=What is the Law of Opulence?

And God is able to make all grace abound towards you, that you, always having sufficiency in all things, may have an abundance for every good work. 2 COR 9:8

Riches, resources or wealth are a state of consciousness that affects every dimension of your life—spiritual, mental, physical, emotional, material, social, etc. Financial prosperity rests in the infinite power of God that’s released through you. Paul told Timothy to “*trust ... in the living God who gives us richly all things to enjoy.*” God wants us to enjoy life. We LIMIT ourselves by carnal thoughts—anything fearful or doubtful; that we’re too greedy, unworthy, worldly, etc.

God doesn’t label our wants and desires as too frivolous or unnecessary. God’s very nature is excessive and opulent—He created mankind with a gamut of uniqueness in individuality and personality ... He didn’t stop with just one flower but an innumerable variety ... or the number of different breeds of a dog! God has splendid plans for you and wants you to plan 2009 with a similar extravagant scope of possibility and mission.

You can practice the Law of Opulence any time—it’s activated by your thoughts—by what you believe and accept as possible. The Divine Source of all Supply dwells within you and responds to your faith in Him. Paul said, “*But my God shall supply ALL your needs according to His riches in glory.*”

The infinite Spirit of God is the Source of all blessing. You do not own the universe but God does—and He’s given you stewardship to use the wealth of the world wisely, creatively and constructively. Your faith in the goodness of God represents the true riches you gained through your learning experiences.

=Principle of the Tithe

The principle of the tithe is that you give 10% and God sees it as giving 100%. It's why they say "Possession is nine/tenths of the law." God only asks for 10%—but once it's in your hand even 10% can be difficult to give up. Yet it's only when you release a Tithe that you enter into the realm of God's Opulence. When you Tithe you become a participant in the FLOW of money, wealth and riches.

You're not even in the flow unless you invest your money. But with tithing it's not even a gamble. If you put 10% down as a token of your investment, God guarantees you're a winner—it's His Law. You're a winner because you invested in Him.

Tithing is merely the OPPORTUNITY for you to participate in the Opulence of God in the Earth!
--

"God is not worshiped from men's hands, as though He needed anything, since He gives to all life, breath, and all things." God is the Source of all that you possess. Tithing isn't an Obligation it's an Opportunity that benefits you. You receive the blessing of 100 fold in this Earthly realm and its equivalent treasure in the Spiritual as well.

=You Reap What You Sow

Live your life with a joyous expectancy of God's best happening to you. Look for something good to happen—be aware that there's OPPORTUNITY in whatever happens. Be happy that God prospers all. Pray that your family and friends are richly blessed and prospered in God's Opulence ... that they're inspired and enriched in every way. You reap prosperity by what you sow. *"You shall declare a thing, and it will be established for you; so Light will shine on your ways."* Radiate goodwill and well wishes to others. They prosper—and so do you.

God prospers you in every way. He supplies you with everything that contributes to your well-being, progress, success and peace. You experience His Opulence because you accept 'good' and walk in the Light of His goodness. You're at peace—totally one with the Source of Life and all your needs are met in Him. Bring 'all the empty vessels' to the Father so His fullness manifests abundantly in your life. All that the Father has is yours.

You may laugh at the audaciousness of the word OPULENCE, but if you accept it—it'll thoroughly ignite a passion and joy in you that'll activate the wondrous possibility of God for your life. *"With God all things are possible!"*
