### **THE GIFT**

*Every good gift and every perfect gift is from above, and comes down from the Father of lights, with whom there is no variation of turning. Of His own will He brought us forth by the word of truth, that we might be a kind of firstfruits of His creatures.*  
~JAMES 1:17-18

How Awesome is our God to put Himself in His creation! He is the GIVER and the GIFT of eternal life that dwells within you! The key to living your life in abundance is to activate this limitless GIFT.

The Apostle Paul said, *“Therefore I remind you to stir up the gift of God which is in you.”* Your BELIEF AND EXPECTANCY stirs up the GIFT in you—even if it’s been dormant a long time. The GIFT is the inexhaustible power of God awaiting your alignment and utilization. You’re capable of fully aligning to the power of the infinite nature of God’s omnipresent and universal benevolence in your inner man.

### **= ESSENCE OF POWER**

*God is able to make all grace abound towards you, that you, having all sufficiency in all things, may have an abundance for every good work.*  
~ 2 CORINTHIANS 9:8

Life has God’s fingerprints all over it—His vibrational energy is sealed into every molecule! *“All things were made through Him”* and bears a corresponding vibration to its Divine Source. You are stamped as *“the express image of His person”* and filled with His infinite Spirit.

If you want to know the essence you look at the core structure or its nature. The essence of power is the Spirit within—it carries the same power force as the Creator. All matter takes on the essence of the Creator. The visible and invisible are made of one Spirit.

The ocean and all its droplets keep the same chemical composition. Likewise a vial of your blood is identical to what's flowing in your veins. Jesus said, *"I am the vine, you are the branches."* We are ONE in Him—created in the IMAGE of our Creator. It's the same Spirit of life abiding in Him that gives you the ability to be a VITAL LIFE FORCE in the world today.

### = **VITAL LIFE FORCE**

*"For the Word of God is living and powerful, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discerner of the thoughts and intents of the heart."*  
-HEBREWS 4:12

You are the temple of God filled with His GIFT—filled with the force, power and ability "to will and to do of His good pleasure."

Everyone has this GIFT in them but what they do with it makes all the difference in their life. If you squander this GIFT it'll weaken. But if you invest the GIFT by serving others it'll intensify its power and you'll prosper *"in health and wealth just as your soul prospers."*

If you are undisciplined—you waste your precious LIFE FORCE on personal pleasure. Eventually you realize that a door closed to answered prayer. You may feel sorry for yourself or hopeless; or spend more time carousing for instantaneous pleasure.

If life is all about you, it'll cut you off from the Source and create blocks in your LIFE FORCE. It's like living off a vial of blood instead of the whole system of regeneration working in you—eventually it loses its potency. It wears out. You must be continually flowing forth with His love or your GIFT stagnates.

### = **COMPASSION ACTIVATES THE GIFT**

And when Jesus went out He saw a great multitude; and He was moved with compassion for them and healed their sick.  
-MATTHEW 14:14

God's love is a force that flows through you just as your blood flows through your veins. But His love flowing through you to others also has the same benefit of energizing every cell in your body.

If you pray for those around you to be successful, happy, and increased in every good thing you likewise have the benefit of attracting it to yourself. Love's highest expression is found in fulfilling the needs of others. It's God's love flowing forth to another that opens the storehouses of God.

Jesus had COMPASSION on the sick and healed them. Compassion is the activation of your power to love—it's the Spirit of God within you. Love is the way to higher consciousness and awareness.

### = **CHRIST CONSCIOUSNESS**

CHRIST CONSCIOUSNESS is the GIFT in you that you know as Spirit or the Power of Love, only now you are aware of it. Omnipotent God operates through you to do great works. Jesus said, “Of Myself, or of the mortal flesh I can do nothing.” It is only when you bypass the natural and let love work through you that you “*can do all things through Christ Jesus who strengthens you.*”

Christ is light—Christ consciousness is a state where you recognize that light. Your Christ consciousness allows you to tap into the divinity of the Father through your thoughts. The greater work of your soul is to lift your thoughts to such heights in Christ that you comprehend and manifest the greatness of God.

Your inner man has a tremendous influence over your mind and affects your decisions and choices. You probably have felt an inner knowing or a small voice urging you to do something. The Spirit of God communes with you and prompts you by influencing your emotions and thoughts in compassion towards others.

### = **BELIEVE IN MIRACLES**

A deep man believes in miracles, waits for them, believes in magic, believes that the orator will decompose his adversary; believes that the evil eye can wither, that the heart's blessing can heal; that love can exalt talent; can overcome all odds. **-RALPH WALDO EMERSON**

You experience the Providence of God intervening in your life by believing in miracles. The testimonies of great men and women give evidence to this being true. The inexhaustible power of God manifests at crucial moments in our life that we call miraculous.

The GIFT in you has a Voice. It speaks of truth and possibility—affirming ‘who you are’ and what you are called to do. The Spirit within speaks of your potential in grand thoughts of greatness.

Doubting the GIFT started in the Garden when Satan questioned God's intention. Man's doubted ever since. Doubt always hinders self-confidence and wars on your spirit.

The key to knowing which voice is speaking is to know 'who you are' in the first place and then qualify your thoughts accordingly. The GIFT connects you to God, the Source of all things.

### = **YOU'LL GET WHAT YOU EXPECT**

Faith is the ‘eternal elixir’ which gives life, power and action to the impulse of thought! Faith is the starting point of all accumulation of riches! Faith is the basis of all ‘miracles’ and all mysteries which cannot be analyzed by the rules of science! Faith is the only known antidote for failure!” **~NAPOLEAN HILL**

Some blame God or others for why their life is off track and unproductive. They feel disappointed or frustrated that things aren't the way they want it to be. Job's fear came upon him. He never WANTED it to happen.

Sometimes it's merely a misdirected thought. Instead of a joyous peaceful expectation that believes what you want will HAPPEN, you expect that what you want will NEVER HAPPEN—and you have a list of excuses to prove it.

Thoughts create a 'holding' pattern if they're made up of doubts, fears, jealousy or selfishness. It restrains because it blocks you from fulfilling your purpose. Renewing your mind will recharge the powerful life force or GIFT within. Blockages are broken down and eliminated.

### = **TRIGGERING SUCCESS**

The Word of God is truth. It's your constant guide and counselor. Meditating, thinking on, or memorizing the Word of God reprograms your mind—it develops CHRIST CONSCIOUSNESS. If you program your mind with the truth you'll immediately recognize the promptings and admonition of God that protects and guides you in everything you do—and you stop RESISTING everyday happenings and move into opportunity. You'll feel confident that you're doing the right thing and that everything is okay. CHRIST CONSCIOUSNESS is recognizing the inexhaustible power of God in you.

Thinking the thoughts of God will trigger a creative process that taps into the very same life force holding together the atoms of a rock—it's the same creative energy that makes it possible for the sun to evaporate water or grow a tree from a tiny mustard seed. Christ consciousness: intuition, prayer, inspiration, meditation, including what's super natural, etc. are meant for gaining PERCEPTION.

Listen to the still, small voice of God within you. This inner voice governs your life—leading you into perfect peace and better ways of doing things to make good changes and watch your life prosper.

### = **THE GIFT WITHIN**

Finally, all of you be of one mind, having compassion for one another; love as brothers, be tenderhearted, be courteous; not returning evil for evil or reviling for reviling, but on the contrary blessing, knowing that you were called to this, that you may inherit a blessing.

-1 PETER 3:8-9

God is the Giver and Gift of Life. His inexhaustible abundance pours forth from you through your compassion towards others. You bear evidence of His grace and truth every time your thoughts take on the aspects of His love. Through you others see the magnanimous splendor of Almighty God manifest.

Man learns to do the greater works of God if he recognizes the greatness of the GIFT within—knowing God's inexhaustible power is meant for man's use.
