INEXHAUSTIBLE POWER

I am come that they may have life, and that they may have it more abundantly... My sheep hear My voice, and I know them, and they follow Me. And I give them eternal life and they shall never perish; neither shall anyone snatch them out of My hand. My Father, who has given them to Me, is greater than all; and no one is able to snatch them out of My Father's hand. I and My Father are one.” JOHN 10

You are meant to lead a happy and meaningful life. The expression of your talents and gifting releases your purpose in God. Joseph Murphy said, “God is the giver and the gift, and all the riches of God are awaiting your discovery, application and enjoyment.”

Jesus said, “*For indeed, the kingdom of God is within you.*” God is within you because His Spirit dwells in you. He is the giver and the gift of eternal life. The key to living life more abundantly is activating the INEXHAUSTIBLE GIFT within.

= INEXHAUSTIBLE POWER

In all my lectures, I have taught one doctrine—the infinitude of the private man, the ever-ability to every man of the Divine presence within his own mind, from which presence he draws, at his need, inexhaustible power.

-RALPH WALDO EMERSON

Since the Kingdom of God is within you, you can learn to tap into His vast treasure and find all that you need to live a fulfilling life.

The inexhaustible power and abundance of the Kingdom are within your grasp—it’s at hand. That means you are connected to the power of the infinite nature of God’s omnipresent and universal benevolence. His treasure of infinite riches is accessed through your subconscious or inner man—your Christ consciousness. Therefore trust “*in the living God, who gives us richly all things to enjoy.*”

“As a man thinks so is he.” Man holds the key to his future—what he thinks about he becomes! Your external life is subject to your inner thought life. Simply—what happens to you is directly related to the NATURE of your thoughts.

God spoke His thoughts and the universe came into existence. The universe is the manifestation of thought. His Word took on substance and energy. Jesus is the Word of God become flesh. Can you imagine the potential power in aligning your thoughts to God’s?

= **PROSPER IN ALL THINGS**

Beloved, I pray that you may prosper in all things and be in health, just as your soul prospers. For I rejoiced greatly when brethren came and testified of the truth that is in you, just as you walk in the truth. I have no greater joy than to hear that my children walk in truth. ~ 1 JOHN

To prosper means that you advance or increase mentally, spiritually, emotionally and physically.

The Apostle John writes of the measure of truth in Gaius—that he ‘walked the talk’ and the news gave John tremendous joy. He wanted Gaius to remember that if you *“walk in the truth”* then you PROSPER in everything—specifically singling out his health. John knew two millennium before science even developed a means of measuring human energy that positive thoughts increased man’s vitality and energy field!

How you walk in truth affects your health. If you are subject to negative emotions such as anger or rage, it literally changes your heart rate which not only disturbs your wellbeing but puts distress on the heart and blood vessels to the extent of causing deterioration. Yet you can reverse the damaging effects with positive emotions such as love or gratitude, and actually feel its affect in operation when you send out loving thoughts. A simple act of generating love towards people or even pets will not only calm your heart, but over a period of time it will heal any damage.

If you’re at peace, your whole body functions in balanced harmony and pulsates in the frequency of God’s heartbeat. The same ebb and flow of life that vibrates in the intricate symphony of the universe finds expression in you and its vibration is your distinct energy field—giving you optimal health, wellness and unique creative expression.

= **LOVE TRANSFORMS**

Love is the only creative, redemptive, transforming power in the universe.

-MARTIN LUTHER KING JR.

Love is a transforming power that will change the way you think, speak and behave. Love changes everything. It activates the inexhaustible power of God that transforms you—allowing you access to a life of abundance.

“For God so loved the world that He gave His only Son, that whoever believes in Him should not perish but have everlasting life.” God loved His creation through His Son. Jesus is the

expression of Who He is in a composition that could be understood by everyone. Love is a universal language. It's an emotion that is comprehensible and not only stirs man's heart but also empowers him to do great exploits for those they love. John Lennon summed it up with the lyrics, "All you need is love."

Everything you experience is due to the law of your mind: *"As a man thinks so is he."* Thoughts create. "Thoughts are things." What you feel strongly about you'll attract to you and what you imagine about yourself you'll become.

You cannot think evil and reap good or think good and reap evil. That's why negative thoughts generated towards others will eventually destroy you. But positive thoughts always benefit everyone who receives it. Whenever a negative thought comes to you immediately uphold the power of His Word saying, *"God's love fills my soul."* And then sit back and feel the love of God flood your soul with sweet peace as you move into the higher frequencies of His Presence.

Pray for those around you to be successful, happy, and increased in every good thing so that as you pray for others you'll be attracting it to yourself. *"You become what you behold"* so make it good and pleasant things.

= **MIND OF CHRIST**

For the Word of God is living and powerful, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discerner of the thoughts and intents of the heart.

-HEBREWS 4:12

Your inner man has a tremendous influence over your mind and affects your decisions and choices. You probably have felt an inner knowing or a small voice urging you to do something. The Spirit of God communes with you and prompts you by FLUENCING your emotions and thoughts.

Much has been written in recent years about the subconscious mind. God activated a subconscious mind in us to protect life. Your subconscious mind governs your vital organs and keeps you internally balanced—unless you consciously interfere by worry, anxiety, or fearful thoughts. This negative thinking will physically upset the divine balance programmed for your body.

The Word of God is truth. It's your constant guide and counselor. Meditating, thinking about, or memorizing the Word of God reprograms your subconscious into the mind of Christ. If you program your subconscious mind with the truth you'll immediately recognize the promptings and admonition of God that protects and guides you in everything you do—and you'll stop resisting it. You'll feel confident that you're doing the right thing and that everything is okay because you recognize the INEXHAUSTIBLE POWER of God within you.

= **LAW OF THE SPIRIT OF LIFE**

For the law of the Spirit of life in Christ Jesus has made you free from the law of sin and death.

Meditation reverses the effects of negativity or lack in your life because the higher energy of His Love OVERPOWERS the damaging lower frequencies of fear. Using meditation to reprogram you with the truth floods your subconscious mind with the water of His Word—purging you from the falsehoods of fear. God literally OVERTAKES you and His high vibrational truth sets you free.

Every day should include a time for meditation, prayer, relaxation and recreation so that you reconnect to the SOURCE of your energy and maintain it. You become one with His way through becoming one with His heartbeat, His breath and inexhaustible power of His creative thought. This empowers you as easily as resetting or rewinding a grandfather clock each day recharges its purpose and function.

Listen to the still, small voice of God within you. This inner voice governs your life—leading you into perfect peace and better ways of doing things to make good changes in your life that prospers you. *“The Lord will perfect that which concerns me.”*

= GIVING GOD THE BENEFIT OF YOUR DOUBT

Often our conscious or objective mind will fight against our subconscious—the inner knowledge gained through the Spirit. If we give God the BENEFIT OF OUR DOUBT we’ll quickly learn to discern His voice. If we look for God to direct and guide us then we develop our ability to ‘hear’ Him through Christ consciousness.

Every time we respond to a prompting we feel is from God we are practicing and strengthening our spiritual receptors. We can further develop our ability to PERCIEVE God by charging our inner man to be instantly aware of any CHANGE such as a gut feeling, ringing ears, etc.

How we sense God is different for everyone. Yet we can be alerted to something specific by using TRIGGERS. It’s the same principle as motion detectors or fire alarms—we use something to CATCH OUR ATTENTION and program ourselves to immediately respond to it. In the workplace this could be a flash of insight that speaks of possibility or even a sense of potential danger. It’s up to you to decide how to RESPOND and then practice responding until your subconscious mind intuitively alerts itself to quickly recognize and handle any situation.

= GOD’S GOODNESS IN YOU

Surely goodness and mercy shall follow me all the days of my life; and I will dwell in the house of the LORD forever.

-PSALMS 23:6

If you meditate on Almighty God, you’ll connect to His infinite power of grace and truth. He’ll speak to you with a voice of deep conviction. He’s the peace, harmony and health within you that is as constant as your own heartbeat. God influences your mind—it’s His inexhaustible creative power within you SIGNALING its time to release your gifting.

You know God as the Giver and Gift of Life. His inexhaustible abundance pours forth from you through the distinct expression of your gifting. You bear evidence of His grace and truth every time your thoughts take visible form. You are the creative expression of the invisible Spirit and through you we see the magnanimous splendor of Almighty God manifest in INEXHAUSTIBLE POWER.
